Field Trip Report

Academic Year 2019 - 20

GRADE -VI

“AVANIA ADVENTURES, KOLAR”

“LEARNING ON THE EDGE”

Adventure is a way of learning and experiencing life. In order to enhance mental and physical wellness of growing kids, a fun filled adventure field trip was organized by National Public School, Kengeri, on Thursday, 21st November, 2019, for the students of Grade VI.

The apt field trip exposed the students to a variety of challenging and exciting activities under controlled environment. The students refueled their minds and challenged themselves by participating in reloaded thrilling activities like high rope, low rope, zip line; team activities like tug of war, passing the hoop, wall climbing, etc. All these fun filled activities tested and strengthened their physical endurance.

The organizers guided the students at every step. The students got a chance to come out of their comfort zone, acquire new experience, accomplish each task and activity successfully with confidence and felt better both inside and out.

Finally, like an icing on a cake, all the fun filled activities converged and culminated in a freestyle dance performance by students to the popular songs. The day well spent, recharged and rejuvenated their minds and left the students with memories to cherish throughout their life.
