***“Travel and change of place impart new vigour to the mind.”***

To bring a change in young minds of of grade 7, NPS Kengeri had organised a field trip to ‘Hid-Den Adventure Camp’, Channapattana on 22<sup>nd</sup> November 2019. 7 teachers and 84 children .We started our journey at 7:00 a.m. and reached the destination at 9:15 a.m.

All were welcomed by the organisers into the beautiful mangrove garden. The ice was broken by the organiser by giving a small introduction about the adventure camp. Later children relished Idly, Vada and Sambar. Soon the girls were taken for Trekking which was the most awaited part of the trip for the students. While, boys were divided into different groups for the activities. They started with the games like Pipe-line and Bulls Eye respectively, which demanded team work and co-ordination. Later children enjoyed Zip-Lining and Burma Bridge challenge. Children were engaged in all the activities which kept them enthusiastic throughout.

Next it was the boys turn to trek which they as well enjoyed equally. Lunch break was a relaxing time with sumptuous food. Post lunch break boys enjoyed playing Kabbadi and Cricket while Girls had fun in Rain dance. Later it was boys turn to rock the floor in rain dance.

At the end of the camp children had hot bajjis and badam milk and we all headed back to the school at 6:30 pm with lots of sweet memories to cherish forever.
