Report on Children's Day Celebration

Grade 7

“Children are like buds in a garden and should be carefully and lovingly nurtured, as they are the future of the nation and the citizens of tomorrow.”

-Jawaharlal Nehru

NPS, Kengeri organised many fun activities for its students, as part of Children's Day celebration, on 15th November, 2021.

Children's Day is celebrated across India on 14th November every year as a tribute to India's First Prime Minister, Jawaharlal Nehru. Fondly known as Chacha Nehru among children, he advocated an increased awareness of the rights, care and education of children.

The students of Grades 7 had different recreation games like Zigzag run, Running Pyramid, Jumping Kangaroo, Passing the ball, and Cardboard race. Each and every student showed excitement and participated in the various fun games planned to make their day special.

The exhilarating day ended but the excitement remained the same in the students till they started moving back home from school. It was indeed a memorable day well spent and cherished by every student.
