Report on 'Grade 6 'A' Special Assembly' **Topic: "Doctors' Day"**

"Service to humanity is service to God"

The students of Grade 6A conducted their class assembly for the academic year 2021-22, from 28th June 2021 to 3rd July 2021.

National Doctors' Day is celebrated on July 1 every year to recognize and appreciate the relentless efforts and service of all doctors and healthcare workers who have been serving people.

The students presented a special programme on Friday, 2nd July to acknowledge the efforts and service of the medical fraternity amid the covid 19 pandemic. The speech, skit, song dedicated to doctors, tips on importance and ways of following the covid protocol, all reminded the people about the contributions of healthcare workers across the world, who, undaunted by the challenges thrown by the pandemic, have marched ahead and are risking their lives to save a life, whether in main and secondary care settings or in committed covid care facilities.

The message of "Vaidyo Narayano Harihi" was conveyed ardently to express their sincere, heartfelt gratitude to the healthcare fraternity.
