

NATIONAL PUBLIC SCHOOL **Kengeri, Bengaluru**

Report on 'World Environment Day', 2021

“Study nature, love nature, stay close to nature...

.... Start today to Save tomorrow”

The students of National Public School, Kengeri celebrated “Virtual World Environment Day 2021’ on Saturday, 5th June, 2021, with great fervour by presenting various programmes to mark the day and raise awareness to take positive action to protect mother earth.

The variety programmes on the theme “Ecosystem Restoration”- Reimagine, Recreate and Restore, unfolded by a prayer to invoke God’s blessings, followed by welcome speech, giving an insight to the importance of the day. The students planted saplings thus conveying the message of “Go Green”. Colourful infographic collage presentation by the students focused on afforestation. Melodious blissful songs on nature enthralled the audience. A skit on the topic, “Restoration of Ecosystem” and a presentation on nurturing nature for our future on the consequences of urbanization were apt to the present scenario. In the end students took a pledge to take initiative and abide by their promise of nurturing nature. The Principal, Ms. Geeta Dikshit addressed the students with a wonderful message about our contribution to the Mother Earth. The programme ended with Vote of Thanks. All the students attended the virtual environment day with great gusto which certainly made a difference. The students’ enthusiasm in putting ecosystem restoration on a pedestal showed their determination on the increasingly urgent need to restore the Earth’s ecosystem.
