Assembly report- Grade 2 A

***“The strength of Team Work is each individual member, the strength of reach member is the team.”***

Morning assembly makes the students feel fresh and energetic with positive vibrations. It boosts the hidden talent of the children.

Grade 2A conducted the school assembly for two days on 12<sup>th</sup> September 2022, Monday and 16<sup>th</sup> September 2022, Friday. The theme of the assembly was ***“Team Work”***.

The students began the assembly with a positive thought ***“Individually we are one drop but together we are ocean.”*** Proceeding to it, the talk on the purpose and the significance of team work was built among the children.

This created the awareness and knowledge to the assembly about the path how team work connects people, helps to work in groups, learning together and express their feeling. And when applied the same in different arenas like family, sports, school, and other community places, the task accomplished can lead to triumph to a greater heights.

The whole of the above message of the team work was also depicted through a supple and balletic dance for the mesmerizing song ***“Team work is a good idea.”*** Tiny tots who were dressed colourfully gave a captivating performance leading to the thoughtful and need of the team work.

The assembly was finally concluded with the vote of thanks, thanking the Principal and the Co-ordinators for the opportunity given.

The Grade 2A students could portray this show as they unitedly worked in teams and finally helped them to reach their goal effectively.
