

NATIONAL PUBLIC SCHOOL

KENGERI, BENGALURU

Report on Grade 3C Special Assembly

Morning assembly undoubtedly holds an important position out of all the routine activities in a school. It supports student's participation as well as improves the skills of children on account of healthy competitive spirit among the peer groups of other sections. Probably it's the first platform which is provided to young minds, boosting their confidence towards public speaking and imbibing a feeling of team spirit in their growing minds.

Keeping up with the same spirit, The students of Grade 3 C, presented class assembly on October 27th, 28th and November 3rd 2022.

Students were confident in presenting the formal part of the assembly like Prayer and Pledge by seeking the blessings and thanking Almighty's on the fresh start of the day followed by a revitalizing Thought for the day and News Headlines across the globe.

As a part of special Assembly, students presented a surprising skit based on the topic 'Super Sixers of Success'.., through which students gave the six super tips to embrace success in one's life. The skit was presented in a hilarious way, connecting it with the Magic lamp of fortune. A peppy dance was also included in the skit to cheer the audience. The main motive of this special assembly was to make students know about the six important elements of success like Self-confidence, Goal, Hard work, Determination etc expressed in an interesting way.

The final day of the assembly was again a special one as the students presented the entire assembly in Kannada on the account of **Kannada Rajyothsava**.

Students and the teacher whole heartedly thank the management and co-ordinator ma'am for providing this opportunity to present class assembly.
