

# NATIONAL PUBLIC SCHOOL

KENGRI, BENGALURU

Assembly report- Grade 5 C

National Pollution  
Prevention Day  
Show you care by  
Cleaning the Air

**The class assembly of Grade 5 C was conducted on November 29<sup>th</sup>, December 1<sup>st</sup> and December 2<sup>nd</sup> 2022. The topic for the assembly was ‘National Pollution control day’.**

**Students shared the benefits and significance of nature. Information about conserving environment by pollution was put forth with a skit and dance. Students shared new words like Ambivert, Candour and Philanthropist with their meanings and sentences. Planting more trees to reduce pollution and self-contribution to conserve nature was the message shared through the class assembly**
