Morning assembly undoubtedly holds the numerouno position out of all the routine activities in a school. It aids community participation as well as hones the skills of children on account of healthy competitive spirit between different groups. Probably it's the first platform which is provided to young minds, boosting their confidence towards public speaking, imbining a feeling of team spirit in their nascent minds and also getting to know about traditional culture of the society.

Imbining the same the students of Grade 11 presented their Class Assembly in the month of October 2022 on the topic 'Dasara' and 'Deepawali'.

The Assembly commenced with the Morning Prayer. The students presented the significance of celebrating Dasara Festival, by describing the Avatars of Goddess Lakshmi on Navarathri (Nine days). The description with all expressions made everyone in the assembly to feel the vibe of Avatars. They also presented an insight on the significance of arranging dolls during Dasara Festival, which left the gathering to embrace the festival with more meaningful tradition.

The Ethnic Dress ramp walk was a poem of tradition, culture and depiction of our diversity. Students with festival attire in ethnic costumes from different states brought the festive glow and vibrant colours alive. The students also gave a glimpse on the celebration of Diwali.
