REPORT ON CLASS ASSEMBLY
Grade 6E

“A little progress each day adds up to big results.”

On account of Holi and International Women’s Day, a special assembly was presented by students of Class 6E on March 8, 2023.

“Holi is a time of new beginnings, of forgetting old grudges, and of spreading love and happiness.” A melodious song written and composed by Vibha Mahesh and Saranya Dey was sung by all twenty-four students of 6E with the accompaniment - instrument Congo. There was perfect tempo and rhythm. The group song created a Holi vibe in the school ground. All the students snapped to the music.

March 8th is celebrated as International Women’s Day around the globe to recognize and honour the contributions and achievements of women.

On account of International Women’s Day students presented few Women achievers. “Women are the future, so let us celebrate the strong independent and wonderful ladies in our life”. The students of class 6E acquainted everyone with some of the eminent women achievers, whose stories are a great source of inspiration, admiration and challenge to the mankind with no gender bias. Six real- life women achievers were presented by the girls. The boys appreciated these women. The girls had placards of the picture of the selected women as a representation. Isha Naik of the same class read out a poem composed by her about “Mother”.

Furthermore, to conclude, the students presented the school assembly very diligently and confidently. The anchors signed off the assembly with a positive note and good luck for the upcoming examinations.
