GUINNESS RECORD!!!

This calls for celebration!

Congratulations!!! Prathyush Prasad

Guinness World Records, known from its inception in 1955, is a reference book published annually, listing world records both of human achievements and the extremes of the natural world.

It's a momentous celebration at NPS Kengeri as one of our student made a record in the most prestigious record holder book of Guinness Book of World Records. The most hula hoop rotations around the knees in 30 seconds is 124 and was achieved by Prathyush Prasad of Grade VIII 'B' on 18 July 2022. Prathyush discovered the importance of prioritizing health during the lockdown when he started training to beat the previous record holder.

Congratulations and BRAVO!
