### REPORT ON PRAVEGA '22

*"Pravega 2022, Quad sparks, was conducted by IISc (Indian Institute of Science, Bengaluru) to nurture and develop scientific thinking through the medium of a quiz among high-school students across the country, which included a good chunk of quizzing and critical reasoning to appeal to a wider realm of today's youth. Our school student's team consisting of Srujana J and Chandana Chandrashekar Shetty, competed well and could make it to the tenth place in the All-India Level.*

### HEARTY CONGRATULATIONS!!!!
