A VISIT TO NELE NIVEDITHA (ORPHANAGE HOME)

“We make a living by what we get, but we make a life by what we give”

We the faculty members of National Public School, Kengeri took an initiative for the betterment of the underprivileged children.

“Nele Niveditha”, is an orphanage home at Ullal, Bengaluru and is grooming 20 girls of age 10 to 16 yrs. On 8th April 2023, Saturday NPSK family visited Nele and provided the children with essential items such as bags, books, pouch, biscuits, juice, sanitizer, water bottles etc. Such acts of kindness can go a long way in improving the lives of those in need, and it's heartening to see the teachers taking the initiative to give back to their community.

Visiting an orphanage was a rewarding and humbling experience, as it was a visual treat for us to witness their artistic skills, hospitality, and values embedded in the students. It allowed individually to connect with them and make a positive impact on the lives of children who may not have the same opportunities as others.

It is important to remember that small acts of kindness, such as providing basic necessities, can make a significant difference in the lives of those who are less fortunate. Overall, the teachers' visit to the orphanage is a great example of how individuals can make a difference in the community by giving back and supporting those in need.
