

## *National Public School, Kengeri, Bengaluru*

### *Report of Educational Trip Grade VI*

*National Public School, Kengeri always encourages students to acquire first-hand knowledge on the concepts they have learnt and also create awareness among the students about the possibilities about not only our world but beyond that - Universe.*

*To facilitate the same, the students of Grade 6 were taken on an educational trip to “Jawaharlal Nehru Planetarium” on 19th Aug 2022. Students, had the opportunity to watch the theatre video about the universe, constellations, the great scientists who were the pioneers behind astronomy, planets, stars and so on.*

*They also got the hands-on experience at the science park and tried various science models. They were very enthusiastic and could recall some of the concepts taught in the classroom.*

*Students enjoyed the trip with great zeal and enthusiasm. The insightful trip indeed was an eye opener to the students and they were able to understand about the various aspects related to the solar system.*

*“Learning is the only thing the mind never exhausts”*
