

National Public School, Kengeri, Bengaluru

*Report of Educational Trip
Grade VII*

‘Travel and change of place imparts new vigour to the mind.’

National Public School, Kengeri, had organized an educational trip to Hindustan Aeronautics Limited (HAL), a virtual wonderland for Aviation enthusiasts and history buff, for the students of Grade 7, on 18th August, 2022 Thursday, to nurture, to inspire and to aspire. The students explored the HAL Heritage centre, Aerospace Museum and also witnessed various types of aircraft models on static display.

The students thoroughly enjoyed the educational trip and gained more knowledge about aeronautics. It was an unforgettable experience for the students and was entertaining & enlightening too.

The students couldn't have asked for more than to witness the classic birds of the sky in its best form.

“Field trips are powerful learning experiences”
