Report on Teachers' Orientation Programme May 2023-24

“ENTHUSIASM is CONTAGIOUS. Go out each day teaching

OUT- OF- THE- BOX. Make it MAGICAL, and start an EPIDEMIC!!”

National Public School Kengeri, organized an orientation programme for the newly recruited facilitators on 17 May 2023. The Principal, Vice Principal and Coordinators were present in the programme. The major objective of the programme was to make the teachers aware of the rules, regulations and policies of the institution.

The programme began with the introduction and welcome address to all the invitees of the programme. This was followed by the Principal's address where, the teacher's role - in and out of the class rooms and school culture were familiarized. Teachers were also briefed about the importance of professional upgradation through workshops and CBSE Capacity Building Programmes.

PPT was screened which focused on school timings, leave policies, professional upgradations and dress code. It also consisted of few animated videos on core values of the society which were aptly sequenced. The programme came to an end with an expectation set that teachers would ensure that their active participation in monitoring the performance and progress of the students will bring in a great impact in every child.
