

ASSEMBLY ACTIVITY

Class: 4A

Date: 16st August to 19th August 2016

Morning assembly is a time of peace. It creates a sense of unity and belonging and leads to excellence in achievement. It is also great for setting the right school tone.

The students of grade 4 'A' had their assembly programme from 16/8/16-19/8/16.

The theme of their assembly was "Raksha Bandhan". Samskrita saptaaha was also celebrated in the same week.

The children inspired the school with Shloka's, News, General knowledge questions as a part of their assembly. These help the children to enrich their knowledge for wholesome development.

SAMSKRITA SAPTAAHA

*Yada yada hi dharmasya glanirbhavati bharata
Abhythanamadharma sya tadatmanam srijamyaham*

As a part of our traditional heritage our children celebrated Samskrita saptaaha with shloka chanting along with its explanation.

Students highlighted on the importance of Veda's in our culture as well as in our life.

RAKSHA BANDHAN

*It's a small thread that has travelled a long way.
From pulling each other's leg, to growing into best of friends.
May this small thread Bind Us Forever!!!*

To focus on the theme of love, togetherness and friendship among all "Raksha Bandhan" was started by Rabindranath Tagore. This bandhan gradually was adapted as a ritual of bondage between brothers and sisters.

This was celebrated in our assembly through a skit and children tied rakhi to convey the message of, World as a Family.

The assembly came to a closure by an ear soothing song about rakhi.
