

REPORT ON SHLOKA CHANTING

Each day helps us to revive and reveal the goodness within us. There is nothing beyond the vibrance created through shloka chanting, that can bring out the beautiful self among all. Students of Grade I & II had a rendering of some of the Nithya Shlokas; Grade III & IV a few Guru Sthothras and the Grade – V a few shlokas from Bhagavad Gita. This competition brought about an awareness and also helped the students to value the rich heritage and culture of India.
