

NATIONAL PUBLIC SCHOOL, Bengaluru

ASSEMBLY PROGRAMME TERM II

Class & Sec : VIII / A

Date: 07-11-2016 to 11-11-2016

Circumstances can change at any time don't devalue anyone in your life. You may be powerful today but time is more powerful than you.

Grade 8A students of National Public School, Kengeri had their class assembly from November 7th 2016 to November 11th 2016. Students were really excited to present their assembly activities. The theme of the assembly was Time management. Each day's assembly they started with thoughtful quotes, that reminded everyone about the value of time.

Assembly was filled with enthusiasm because of the variety of programmes. In the first day, that was on 7th November there was a wonderful speech by Aditi about time management. There was a magic show which emphasised the time sense of magicians. They sung melodious western music and also depicted a skit pertaining to the usage of time sensibly. They also educated the students about the value of minutes and even a second by pointing the successful/unsuccessful stories of great people.

Overall they enjoyed their class assembly at the fullest.

Glimpses of Assembly

Class & Sec : VIII / A

Date: 07-11-2016 to 11-11-2016
