ASSEMBLY PROGRAMME

Class & Sec : VII / B

Date: 11-07-2016 to 16-07-2016

The students of Grade VII B presented the assembly from 11 July 2016 to 16 July 2016, highlighting the theme 'World Population Day'.

The six days assembly activity showcased the effort, zeal, hard work of the students. It included Thought for the day, News in Headline, G.k Questions, Speech based on 'World Population Day'. It was indeed full of information and knowledge.

The speech on 'World Population Day' presented by Aditya Prabhu C focused our attention on the urgency and importance of Population issue. Also stressed on this year's theme i.e., 'Investing in teenage girls' to overcome the challenges faced by the girls all over the countries.

During Grade VII B assembly activity, the value talk by Mrs. Rekha N focused on the values such as determination and practice. She emphasized on practicing diligently until one reaches one's goal. As the saying goes, 'Practice makes the man perfect'.

The last day i.e., 16 July 2016, keeping this year's theme in mind, Students of Grade VII B presented the skit on the importance of girl education.

The heart rendering skit based on 'Malala Yousufzai's' determination, will-power, struggles to overcome all the hurdles in life to stand out as today's Youth Icon. Our very own 'Nobel Prize Laureate'. Skit presented by the students was mesmerizing. Background Music given by Jesudas Sir evoked life in scenes. Anchor, Narrators, Actors and backstage members had done tremendous job by giving their best. The assembly enthralled everyone by an enriching experience.
