

Greetings to all !!!

Dear Parents,

Mrs. Geeta Dikshit

“May the Spirit of Christmas permeate throughout the world bringing peace.”

December, though the last month, is not the least in terms of activities.

The tiny tots are gearing up for their Annual Day Celebrations.

December is also the month to foster a mathematical spirit and welcome the goodness of Christmas.

The fag end of the year is a good time to ruminate over the events of the whole year and plan for the coming New Year.

Let us ring out the inertia in thought and action and ring in fresh and novel ideas in both teaching and learning.

I wish all children and parents

A MERRY CHRISTMAS

and

A PROSPEROUS

NEW YEAR.
