

Greetings to all !!!

Dear Parents,

Mrs. Gena Dikshar

"You are the bows from which your children as living arrows are sent forth"

This month is a month of celebrations. We share a sense of pride for being part of a culture that is so rich and vibrant. We should encourage our children to appreciate the beauty and simplicity of the Kannada language and honour the achievements of great people from this beautiful state of Karnataka.

### Kannada Rajyostava Shubhashayagalu.

We worry about what our children will become tomorrow, we forget that they are someone today. Childhood is about innocence, joy and freedom. My greetings to each and every child who as individuals are each a different kind of flower and my hope is that together they will make this world a beautiful garden.

This year's Annual day will showcase a cultural event.

Please come and be witness to the wonderful talents displayed by your children.
