

Greetings to all !!!

Dear Parents,

Mrs. Geeta Dikshitt

"Education is the most powerful weapon which you can use to change the world."

Discipline is the key to success.

A systematic and disciplined approach to studies will surely pave the way for success. Examinations !!

This is the time for students to prove their mettle and it also signifies the culmination of the academic year.

We need to help children to develop self confidence and encourage them to revise their lessons.

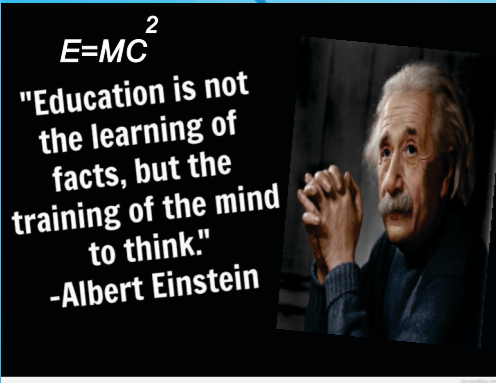

Solving practice and model questions will go a long way to allay exam fear. Avoiding junk food, drinking plenty of water and eating healthy will ensure maximum efficiency during exam time.

ALL THE BEST FOR EXAMS

GO FOR IT !

GOOD LUCK !
