# NATIONAL PUBLIC SCHOOL

Kengeri, Bangalore.

Greetings to all !!!

Mrs. Geeta Dikshitt

Dear Parents,

**"Success can come to you by courageous devotion to the task lying in front of you".**

Two more months left for the completion of this academic year. It is prudent to help our children with their exam preparation and make sure they have a judicious mix of work and play. A little helping hand in monitoring their school work and revision schedules can go a long way in achieving academic success. A nation needs to awaken to the aspirations of the next century and develop a rational, scientific temperament. We need to encourage the logical, analytical and reasoning abilities of children to foster quality scientific achievements. Let us understand that the *science of today is the technology of tomorrow.*

## Prep My Skills

Learning is Enriching (3 to 5 Grade)

"PREP MY SKILL" worksheets and 'check my understanding' sheets have to be completed and submitted before 5th Feb 2018.

## GLIMPSES OF EVENTS

## Hand writing Class

'A good handwriting is a mark of an excellent education.' Handwriting classes are being regularly held for Grades 3-5. Selected students are actively taking part in the programme.

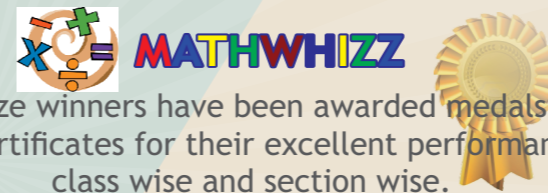

**We salute our motherland which has given birth to great souls**

## Special Events

A grand Exhibition of Art work showcasing the creativity of our talented, budding artists will be on display on 10th Feb 2018.

A great time for parents to enjoy the Artwork of children and appreciate them.

Prize winners have been awarded medals and certificates for their excellent performance, class wise and section wise.

Hearty congratulations to all the winners.

## Co-Curricular Activities

Solo dance Grade 1 & 2 as well as Junior Chef competition garnered an enthusiastic response

All the CCA activities have reached fruition and children have taken back many memorable learning moments.

CCA House trophy winner for the academic year 2017-18 will be announced shortly.

*A big thanks to all the parents for the constant support and encouragement*

## Assembly Details

Grade I students presented special assembly activities highlighting MARTYR'S DAY.

Grade IV students will be presenting upcoming assembly. As a special initiative KG II students will take part in assembly as a prelude to smooth transition from Kindergarten to Grade I.

## Clubs (C-Act)

Eco and Health clubs are being introduced so as to make students inculcate good **Nutrition** habits and learn about **Germination**.

Grade 1 students will observe **Nutrition** month whereas Grade 2 students will learn to see **Germination** of seeds.

## Guidelines

In case of medical leave during examination days, parents are requested to submit the medical certificates within two working days. Assessments are being conducted for subject enrichment. Students need to be regular to School.

Parents of Grade 4 students moving onto Grade 5 are hereby informed to wisely choose 3rd language..

Circular in this regard will be sent shortly.

**NOTE: Parents are requested to sign the Almanac on a daily basis.**

## Curiositi Kit

Curiositi Learning for Schools

Grade 3: First Aid.

Grade 5: Skeletal System.
