CLASS ACTIVITY REPORT – GRADE-3

Class activity gives the students an opportunity to develop particular skills and exhibit the non-academic abilities. They actually compliment the curricular activities and groom the students in ‘Art of Living’.

To give the glimpse of mutual love, cooperation and support, students of Grade – III showcased their talents through the Class Activity with the theme “Art of Living”

Students exhibited the theme with a great zeal. They depicted the village life style and highlighted the importance of nuances related to “Art of Living” which says

***Life is precious we have to find happiness in whatever we have.**

*** Think positive, do positive, be positive.**
