

CLASS ACTIVITY

GRADE 4

“SPORTS DO NOT BUILD CHARACTER THEY REVEAL IT”

The very first class activity for the year 2017-18 was conducted on 20th July 2017. The topic chosen for the class activity was “sports”

Sports is one of the vital aspect of school curriculum. It prepares the students to develop leadership skills, physical fitness, foster qualities of co-operation, trust and responsibility.

The activity also helped the students to develop a deeper knowledge of different kinds of sports. i.e, regional, national and international sports.

Students made their friends aware about the rules and regulations of different sports and also played mock games of lagori, kho-kho and cricket.

All children participated in the class activity and enjoyed the games.
