## Class Activity Report – Grade-5

Life is thrilling and fulfilled if we are doing activities of our interest. Children are having high potentials to perform at all levels.

“NPS Has Got Talent” a reality show unleashed the hidden talents of children of class V-B.

The experimental activity of individual interest and talents was a beautiful experience which gave a look of colourful extravaganza. The sharada stuti in Sanskrit, Kathak style of dance, floral rangoli, vegetable carving, energetic stunts, sugam sangeeth, shubhashita and hands on tricks, with poems written in class, along with a live band of instruments, all created suspense and surprise in the air. Finally to feel in the nature “Every child is unique”, to be nurtured and pruned for being best citizen.

Children are keen observer in the society. The future citizens of grade VA instigated a hot air of debate, the proceedings of Loksabha”. The present updates and changes in law and order, economy, Government services, schemes, improvement in all the fields were put forth as a debate in the mock session of Loksabha.

The merits and demerits of various orders like GST, Skill India and Make India, farmer’s improvisation, girl education and women empowerment” were discussed at the topmost tinge of discipline. Children gave a stunning wave in the auditorium echoing the great leader’s voices in the present Government. The hidden talent got unveiled through the flow of energetic dialogues. The future citizens were keen showcasing their effective communication skills.

The misappropriate version of communication and its effect was presented by the students of V-A in the form of a skit which was blended beautifully with the aid of PowerPoint presentation with the brain mapping method, summarising effective communication skills.
