

**15<sup>TH</sup> of August has been etched in Indian History with paramount significance. Hence it is essential to inculcate patriotism from their childhood and also understand the significance of 15<sup>th</sup> August; Independence Day was evidently celebrated.**

The month of August was a flurry of activities for the kindergarten students and the essence of tricolor was the highlight in all craft activities like palm print on a cut out of national flag, making of floweret cluster using tricolored crepe paper and many other vivacities based on national symbols. The importance of the same was reinforced through an interactive presentation and videos of freedom struggle.

**On 17<sup>th</sup> of August the kindergarten section solemnized Independence Day on a grand scale in the auditorium and was graced by our Chairperson and Principal.**

**The event buzzed with the hustle bustle vitalities of students fervidly performing on the Diaz showcasing this exuberance. Children's enthusiasm and confidence prevailed throughout the occasion.**
