"Whose child is this?" I asked one day  
Seeing a little one out at play  
"Mine", said the parent with a tender smile  
"Mine to keep a little while  
To bathe his hands and comb his hair  
To tell him what he is to wear  
To prepare him that he may always be good  
And each day do the things he should"

"Whose child is this?" I asked again  
As the door opened and someone came in  
"Mine" said the teacher with the same tender smile  
"Mine, to keep just for little while  
To teach him how to be gentle and kind  
To train and direct his dear little mind  
To help him live by every rule  
And get the best he can from school"

"Whose child is this?" I ask once more  
Just as the little one entered the door  
"Ours" said the parent and the teacher as they smiled  
And each took the hand of the little child  
"Ours to love and train together  
Ours this blessed task forever"

**Salute**
