## A Day out for KG II & Mont III

Nothing beats an exciting hands-on experience to deepen learning. The magic of a school trip isn't just a break in routine but it's an adventure that opens up children's minds to explore new things.

The most awaited day for KG II and Montessori III students was the school trip to Wood's Resort on 24-11-17, Friday. The picnic was scheduled as a part of Children's Day celebration.

Wood's resort gave an experience of being surrounded by greenery and the beauty of nature. Our journey started off with a prayer and a feeling of a great day ahead. On reaching the venue, we were welcomed warmly by the staff of the resort. A delicious breakfast was followed by a marvelous magic show. The children were enthralled watching the fun and energetic performance. The most enjoyable time was in the play area where the children were fascinated by the various fun rides followed by dancing to the peppy songs which were played in the discotheque.

After a tiring day, the children enjoyed a scrumptious lunch subsequently they enjoyed playing fun games and with that we had come to the end of the joy filled day out.
