

ANNUAL DAY REPORT

SPANDAN 2017

BON VOYAGE

Travel the world,

Understand the different culture

Make friends all over

Be a citizen of the world.'

The Annual day programme- Spandan-2017 was a cultural extravaganza with the unique and wonderful theme-Bon voyage - learning while on a world tour. Our students took the audience on a very enjoyable odyssey.

The programme started with the ceremonial lighting of the lamp and an auspicious rendering of invocation song & dance in praise of Lord Ganesha. Then, a hearty welcome was given to all the dignitaries. The icing on the cake was the presence of noted educationist, Shri Dr. T.A. Balakrishna Adiga, chief guest and Smt & Shri Shylaja Somanna, guest of honour. Their inspiring speech peppered with interesting stories and witty anecdotes.

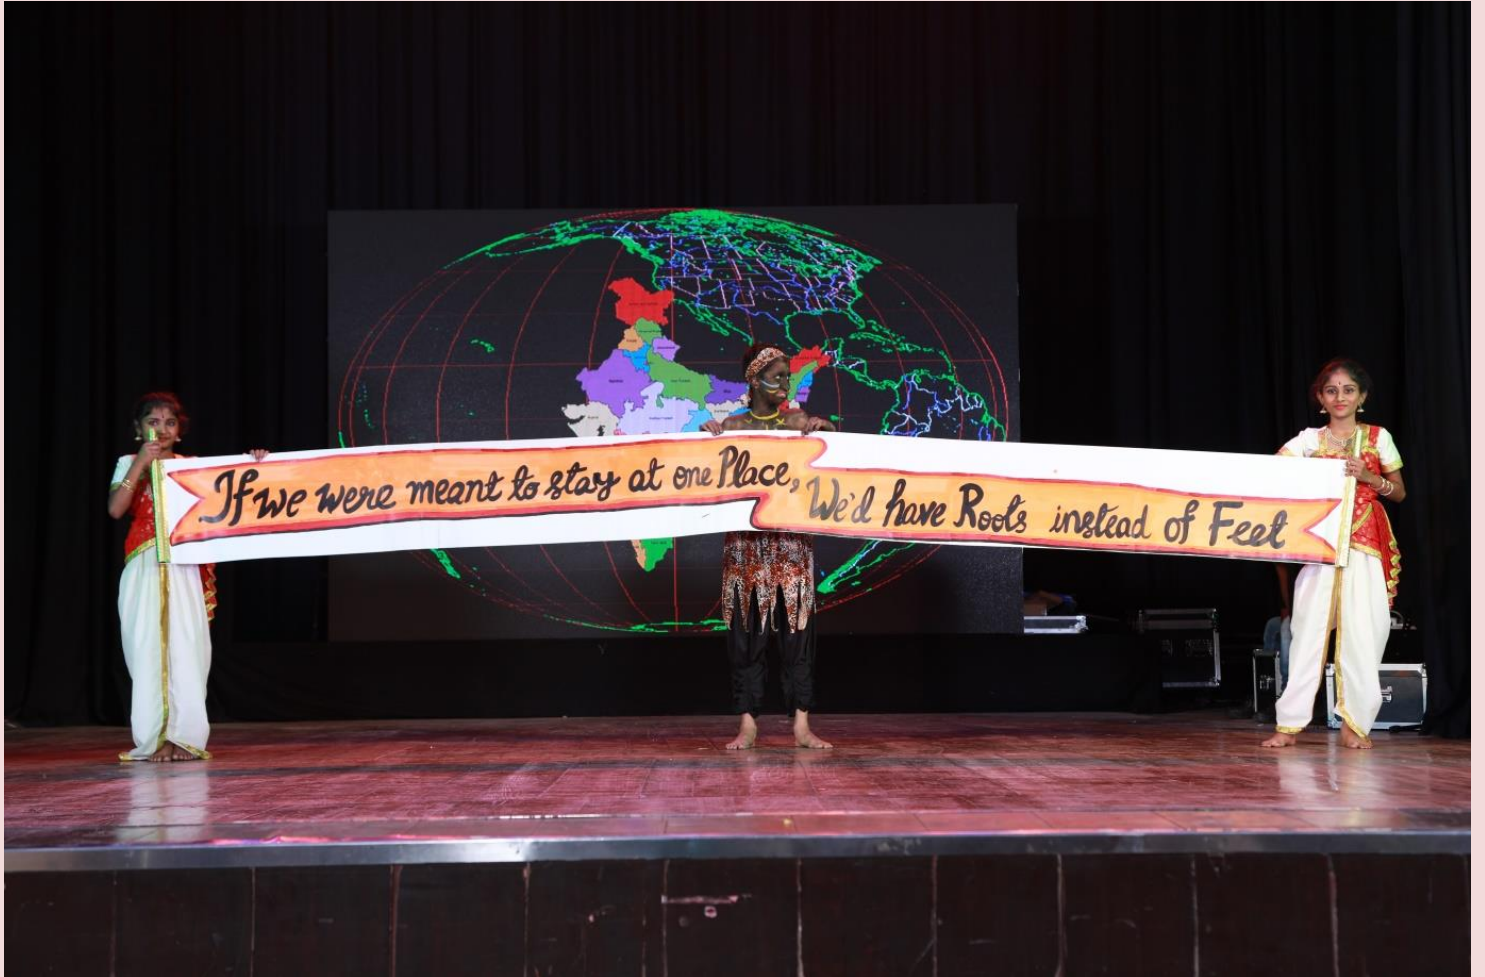

Our charming group of student anchors navigated the programme via various destinations and took the audience through a virtual journey filled with mellifluous songs, enchanting dances and marvellous cultural heritage. The budding explores took everyone on a journey of discovery. Finally, the grand finale was the feather on the cap with a spectacular blend of all events amalgamating into one visual treat.

This beautiful and grandiose spectacle of a magnificent cultural extravaganza will forever be etched as golden memories in the annals of NPS, Kengeri.

If we were meant to stay at one Place, We'd have Roots instead of Feet
