REPORT ON GRADE VII – A & B CLASS ACTIVITY 2017-18

The supreme students of grade 7 A and B presented the class activity on the topic 'Know my country France'.

The programme began with a video on the history of France and its revolution in a nutshell. This was followed with the grand entry of the cute looking anchors who introduced the great personalities of France onto the stage.

Firstly, it was the entry of the Napoleon Bonaparte, 1st youngest President whose remarkable achievements is still green in the history of the world. This was followed by the flow of all great personalities who have contributed to the world in many great ways; like the present President of France Emmanuel Macron who is the next youngest president after Napoleon Bonaparte. The cute Curie couple took entry to make the audience realize their contribution to the world of radioactive elements. Jeanne d'Arc, the 16 year old heroine of France who demanded for an army from the King to protect France, entered then. The audience was also given a glimpse of the immense tower of iron- The Eiffel Tower and the architect- Gustave Eiffel who built it. The students also presented the famous French cuisine- baguettes, crepes and different types of Cheeses. As France is famous for its fashion, a small fashion parade on many well-known brands like Saint Laurent, Dior attracted the audience.

The programme came to an end with a rocky performance on the stage for a French melody. Finally the little audience was able to comprehend that all great men formed the unique feathers of the proud French crown whose shine lasts long.

The applause of the audience was evident that they enjoyed the grandeur of the mini France created on the auditorium. It was a food for thought and festive for the eyes.
