REPORT ON GRADE X CLASS ACTIVITY 2017-18

“The world is a book and those who do not travel read only one page.”

The students of Grade X ‘A’ & ‘B’ took up the challenge of exploring the class activity theme **‘Tourism’** on *20th July 2017* with a right spirit. The main objective of the activity was to make the audience familiarize the very purpose of tourism.

Initially students gave an insight on the significance of tourism and urged everyone to protect & preserve tourist places.

Few steps in the journey of tourism which people need to know are –

- The journey of awareness
- The journey of acceptance
- The journey of admiration &
- Move ahead with a right attitude to reach the destination.

Further students drove away the audience into the journey of types of tours taken up by people all over the world. To mention a few types of tourism depicted by students – pop-culture tourism, archaeological tourism, armchair/virtual tourism (*A Journey through every country in the world*), cultural tourism, audio tourism, educational tourism, heritage tourism, adventure tourism and health & mystical tourism. The class activity had a blend of dance, drama & debate.

The audience were left flabbergasted to - dream, explore & discover the essence of tourism. The principal Mrs. Geeta Dikshit speaking on the occasion expressed her appreciation for the efforts taken up by the students in presenting the activity. Indeed the entire activity was a visual treat to the eyes with a sense of responsibility instilled in everyone to conserve the tourist places.

'The only journey is the one within.

Enjoy the journey...
