### REPORT ON DRESS DESIGNING

One of the competitions for grade to 6 to 10 in CCA this year was 'Dress Designing'. The students had to design a dress which they think would be in fashion. It was conducted on 17<sup>th</sup> November. Each grade from 6 to 10 were given different themes-

Grade 6 – Festive splendor

Grade 7 – Blast from the Past

Grade 8 – Mahabharata of 21<sup>st</sup> century

Grade 9 – Inter Galactic

Grade 10 – Futuristic Earth 2500

Since the designs in the competition needed to use Earth Friendly fibers the students creativity was fully stretched. They participated enthusiastically and came out with different designs of costumes which had vibrant colours and different materials.
