

REPORT ON EDUCATIONAL FIELD TRIP

GRADE III

‘Arise, Awake and stop not till the goal is achieved’.

**We, at NPS have aimed at the
wholesome development of the children.**

**In order to execute this aim of holistic
development an educational trip was
organized for the children of grade III to the Lazza**

Ice Cream Factory on 18th Aug 2017 to

give the children first-hand experience

of ice cream preparation. The children

learned how we should be systematic and

make the best use of any item with special

care to give the best result. They all enjoyed

**the trip as well as learned to inculcate good
qualities in their daily routine and academics**

to reach the level of perfection. This

was really a kind of learning by

playing to reach out

reach high and reach beyond.
