

REPORT ON ENGLISH CLUB FOR THE ACADEMIC YEAR 2016-17

English has, at present an international status communicating in the queen's language has become quite common.

In the context of usage of English both written as well as spoken.

Our club gave opportunity to the students by encouraging them to participate in different activities like work puzzles, word grids and word building activity to enhance their writing skill.

We also conducted a role play activity on the topic "the colours of Rainbow" where each child spoke about their own colour.

The club aimed at being catalyst for the students to increase their oral skills and develop their writing skill.
