

REPORT ON FIELD TRIP FOR GRADE 3 TO 5

“WOODS RESORT” ON 31-11-2017

Nature's bounty is plenty; children are wonderful, unleashing happiness and exploring every moment.

Field trip is one of the main events in the academic session for children, wherein they enjoy to the full and also develop many skills like cooperation, friendliness, adaptability in nature.

It gives scope for holistic personality of every little ones'

“Woods resort” way very suitable for class 3 to 5 children.

The serene and safe atmosphere gave a full day long entertainment, like dance floor, magic show, open field for games & indoor games. Tasty and variety of food added more energy and zeal in a day long trip for the kids.

The trip to “Woods resort” on 30-11-2012 was a successful venture with all the comforts, in our academic calendar 2017-18.
