

## REPORT ON FIELD TRIP FOR GRADE 1 & 2

It was a wonderful Saturday morning. All children of Grade 1 & 2 were eagerly waiting to have lots of fun in the field trip to Woods Resort.

As soon as we reached there, we got an enthusiastic welcome from the Woods Resort staff. Students had their breakfast and they were ready to have lots of fun.

It all started with a fun filled magic show and then children played “dancing statue” game where they were dancing happily to the music.

Later, students were taken to the amusement park, where they enjoyed various rides after that they went to the Disco and were joined by the teachers who too danced joyously.

At the end everyone had yummy food served in the resort & came back to school with beautiful memories.
