

**REPORT ON FRENCH CLUB**  
**FOR THE ACADEMIC YEAR 2016-17**

The students of NPS Kengeri performed a French Club Activity. The sparkling students of grade 3 to 5 participated in it.

It started with a small interesting skit where an Indian Friend visited her friends in France. There she was briefed with the classics of the place. Her eyes celebrated the grandeur of the Eiffel Tower and she did not miss to visit the restaurant to taste the Fromage Francais – French Cheese. The audience where enthralled and overjoyed when they heard the students conversing in French.

The program came to an end with a melodious French track “Alouette” and thus set a message of importance of learning French as a global language in students.
