Grandparent's Day 2017 report

"Grandparents are a family's greatest treasure, founders of loving legacy, greatest story tellers and the keepers of tradition."

Grandparents play an important role in the life of every child. They pamper them more than their parents and they are their best friends. They leave a lasting impression in the child's life with special love and care.

So, to facilitate and honour the Grandparents, our school celebrated Grandparent's Day on 9th September 2017. The event started with a prayer song, followed by the welcome speech by our KG-1 and Mont-II students. Children were elated to surprise their dear grandparents with their exciting performances.

Our tiny tots of Nursery and Mont I were in colourful attires, with the boys dressed as "Chota Bheem" and "Spiderman" and the girls dressed as "Barbie" and "Fairy" were all very happy to perform before their Grandparents. They tapped their feet and danced to the tunes of Chota Bheem, Spiderman, Barbie and Fairy songs when it was their turn.

Grandparents played the games with their grandchildren with great zeal and enthusiasm. The winners of each game were presented with handcrafted cards.

Our beloved Principal ma'am, Mrs Geetha Dixit, addressed the Grandparents and thanked them for taking part in the event. She further emphasized the importance of the day.

Grandparents who had attended the program felt overwhelmed and cherished. This was definitely evident from the happy and cheerful smiles on the faces of the audience!
