

Independence Day Report

Grade III to V

Date: 16 August 2017

“Startup India; Stand up India; Make in India”, to carry out this positive vision with positive action and pay tribute to the great freedom fighters we, at NPS celebrated the 71st Independence day with great enthusiasm. The theme of this celebration was to glorify the significance of Tiranga (tri-colour flag). The children of our institution through their active participation created a great awareness among all about the sacrifices of great leaders and how we should inculcate bravery, courage, and spirit of self-sacrifice. The programme started with welcoming our honorable guest Dr. M. Mangala Priyadarshini (Kannada woman critic and also a popular orator). The programme was followed by the distribution of certificates to the students who have achieved 100% attendance. Dr. M Mangala Priyadarshini, the distinguished guest of honour delivered her motivating speech on the importance of the day. Patriotic song and a beautiful skit on the theme of awakening India ignited the true spirit of patriotism. Great enterprise, boundless courage leads to individual as well as national regeneration. This message was conveyed through a dance drama on the significance of Tiranga. It was a huge success with the co-operation of management, teaching and non-teaching members of school.
