CCA 2017-18 (TERM-I)

REPORT ON ORIGAMI

The first CCA event for grade 6 to 10 was conducted on 7th July 2017 to improve the motor skill of our students through 3D origami work. Origami is an ancient paper folding craft originated in Japan which involves multiple folding of paper to create beautiful models.

Students came up with a lot of innovative ideas displaying their creativity and made models of swan, umbrella, flowers, fish, stars, peacock and clock.

The parameters for judgment were creativity, model, skill and presentation.

The enthusiasm of students was commendable and the display of the origami models was a feast to the eyes and appreciated by all.
