REPORT ON POETRY WRITING COMPETITION FOR GRADE VI TO X ON 24-06-2016

Students of Grade VI to X participated with much fervour in Poetry writing competition held on Friday i.e., 24-6-2016. The theme for Grade IX and X was 'Environment' and 5 different topics were given at each level for Grade VI to VIII such as 'rain', 'my dreams', 'sounds I enjoy', 'imaginary city' and so on.

The response of the students was laudable. It was indeed astounding to see how beautifully student's thoughts, insight, word –choice, rhyming scheme, and imagination took the shape of exquisite creation in the form of poetry. Surely NPS hopes to bring forth future poets, ready to mesmerize the readers with their wonderful work.
