## REPORT ON PUPPET MAKING

Sock puppet making competition was a fun filled activity as well as an activity to spread the message of reusing and recycling the waste / old sock. This was conducted on 21-10-2016.

Students came up with different ideas displaying the creative talent by preparing / making puppets of deer, cat, dog, donkey, crocodile, Tribal Man, rabbit, character of Gali Gali simsim, aliens etc.

Students collected different materials to recycle along with old socks (washed and clean) and the outcome was commendable.

Kindergarten teachers were invited to see the display of puppets. They were over whelmed, excited looking at these puppets and also felt that these could be used as tools for story telling for small children.

The effort and creativity of participants and winners of the competition was appreciated by all. Students were judged on the basis of - innovative ideas, Material used, Skill, Presentation.
