REPORT ON QUIZ COMPETITION (CU & RIO) FOR GRADE I AND II ON 25-10-2017

The programme of CU AND RIO quiz was held on 25-10-2017 to develop general knowledge to the aware of what is happening around the world. World is very important and it helps students to be more confident in this competitive world or else they will be left behind.

The prescribed CU & RIO books were taken as reference to test student's general knowledge during the quiz.

Children participated enthusiastically and their knowledge was tested on the basis of CU & RIO books that they had learnt. This helps them to sharpen their general knowledge and make them aware of current affairs.

The students were tested for their recalling, analytical and cognitive skills.

The prelim round was written round with 30 MCQ's. The high scorers were made into 8 teams. Two teams from each of the four houses viz. Nikon, Maxims, Pericles, Regulus comprising one student from grade -1 and 2 respectively. The quiz had elimination round, Visual round and rapid fire round.

The preparation of the participants was commendable and it was challenging for the quiz masters to give several tie breaker questions. With all the excitement and suspense finally Regulus Team were the winners followed by Pericles Team as the Runners.
