## REPORT ON SALAD DECORATION

Salad decoration competition was conducted on 23<sup>rd</sup> December 2016 for students of grade 6 to 10.

Students participated with immense enthusiasm and interest. They were free to choose their themes and they came up with brilliant displays (salad decoration) such as ship, fish, the Indian tricolor theme, sceneries, beach, Christmas theme with various fruits and vegetables. In fact some of the displays were too beautiful to be eaten.

This activity was successful in initiating skill in both girls and boys. Points were allotted based on innovative ideas, materials used, skill presentation and neatness / cleanliness was also given importance.

As the response was appreciable, our sincere thanks to all the parents for providing the participants with all necessary fruits and vegetables for the event.
