## REPORT ON SHOW AND TELL COMPETITION FOR GRADE I & II ON 19-07-2017

Speaking skill is a very important aspect in learning a language in primary level of schooling. At NPS Kengeri, we nurture our students' young minds to think out-of-the-box and present or express their thoughts through Show and Tell competition. This event helps the students to collect information, organise and express their thought with confidence in front of the audience, in-turn sharpening their speaking skill.

The tiny tots of Grade 1 and 2 enthusiastically participated in the competition having practical knowledge of using gadgets, students spoke confidently about the topics given with appropriate props (Charts/models). Some of the students provided additional information about the commonly used gadgets. The knowledge shared was very well appreciated by the judges and the audience.

The topics were -

Grade 1 - "MY SMART PHONE"

Grade 2 - "USES OF COMPUTER"
