## REPORT ON TISBMUN CONFERENCE 2020

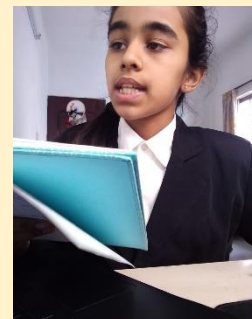

The NPS Kengeri Management and staff take immense pride in congratulating *Aditi Mandivya* of Grade 8 for winning the "Best Delegate" in the LEGATUS (International Press) category at the TISBMUN conference (which is India's premium MUN ) held for 2 days on 31st October 2020 and 1st November 2020.

It was a proud moment when the chair declared our student *Aditi Mandivya* as the "Best Delegate" amongst 20 news agencies from the best schools all over India.

The core agenda on which the debate and discussion accelerated was on the topic **Declining state of Entertaining Media**. The delegates/participants needed to speak for 90 seconds followed by a heated discussion on related sub-topics - "*Discrimination faced by Media*", "*Building Trust on declining Media*" and "*Government Regulations for media policy*". Aditi made clear space in expressing her thoughts and tackled the talk in a poised manner. This was followed by 4 articles including an opinion piece, a Profile piece, and 2 committee reviews which were documented and submitted within the given time frame. Her commitment and quest to win made her stand out from the rest of the participants in the conference.

The Legal press had to execute a press conference on the existing UN committees which was a task that needed to be accomplished on spot. She was handed over UNCOPOUS and the agenda was "Space Exploration and Privatization of Space Resources." She attended the conference and managed to crack the competition by flooring the toughest questions to the Australia and Maldives Delegates as a BBC journalist.

The acumen, poised demeanour, and the quest to win made Aditi exhilarate, explore and envisage an aura of accomplishments in this all India competition.
